Dear Bill:

Below is the recorded information from Dvorak PRC's 2007 Trip Log and the Tote Board allocation ending status for the corresponding date and section. It would appear that Dvorak PRC is in violation of the Rationing Plan for Commercial Boating Use in the Arkansas Headwaters Recreation Area for the following days:

Date	Section	Tote Board		Trip Log				Violation			Tier 1 (\$25)
		Rafts	Kayaks	Rafts	Kayaks	Clients	Staff	Rafts	Kayaks	People	
5/12/07	4B	0	0	1	0	3	1	1	0	4	\$125.00
								Total			\$125.00

These violations were not found through spot checks, but were reported on your 2007 Trip Log. The Rationing Violation fine in the amount of \$125.00 is being assessed. Payment of at least a minimum of \$50.00 should be submitted to AHRA no later than April 1, 2008 with the remainder due on or before November 1, 2008.

An appeal to a Rationing Violation may be made only if the Outfitter believes AHRA to be at fault for the Rationing Violation. An appeal to a Rationing Violation may be made only to the AHRA Park Manager who then may decide to have the appeal heard by the designated Region Manager of Colorado State Parks. All appeals must be filed within thirty (30) days of the date of the outfitter's notification of the rationing violation.

Please let me know if you have any questions or need any additional information.

Sincerely,

John Kreski
 Rationing & Agreement Coordinator
